

EB-E20

DATASHEET / BROCHURE

With the versatility to mount just about anywhere, bright, sharp images and low maintenance, the EB-E20 is a great all-rounder for business.

The EB-E20 offers a very versatile proposition that can be mounted just about anywhere. Meanwhile long lamp life and trusted Epson durability offer peace of mind and minimal maintenance.

Bright, vivid content on a large scalable screen

Enjoy large scale presentations with crisp, clear text, as well as compelling imagery and video content, on screen sizes up to 350 inches. 3,400-lumen performance combines with a high contrast ratio of 15,000:1 to offer outstanding visual performance, even in well-lit rooms.

Years of uninterrupted meetings

With a lamp life of up to 12,000 hours in Eco mode.

Easy to use

Built-in lens shutter that allows easy restart and shut down. User friendly home screen that enables you to confidently and easily connect your device to the projector.

Multiple inputs on one display with audio

Display size matters; scalable up to 350" to enhance your viewing experience and ensure that content shown is not too small. That way everyone in your meeting has the same opportunities to share and engage.

High quality sound

This projector has a built-in 5W speaker to allow audio content to be heard clearly without the need for separate external speakers.

KEY FEATURES

- **High-quality bright images**
3LCD technology and equally high White and Colour Light Output
- **Portable**
Small and light enough to be moved easily and used in multiple rooms
- **High quality sound**
Built-in 5W speaker for crisp, clear sound
- **Low total cost of ownership**
Lamp life up to 12,000 hours in Eco mode
- **Versatile and flexible control**
Project from many sources with HDMI

EPSON®
EXCEED YOUR VISION
